STUDENT FREE DAYS

This Monday 9th and Tuesday 10th of

No students are able to attend school on these days. Buses will not run. Please make alternate arrangements for care of your child if required.

Mother's Day stall

On Thursday we held our annual Mother's Day stall. All students had the opportunity to purchase something for the special person in their lives. Thank you to Abby, Claire and the Advance Program students for your organisation and running of this stall for our school

We hope all the amazing Mum's, Grandma's, Nana's, and special people in our students lives have a fabulous day on Sunday!

Illness in the community

Please be aware that some of our local schools are currently experiencing large numbers of students with gastro. We have had a small number of cases at Baringa, and we appreciate your support in ensuring this does not result in a larger scale outbreak. Please ensure that if your child is experiencing vomiting or diarrhoea they remain home for 48 hours after their last episode of vomiting or diarrhoea. Any students displaying these symptoms will need to be picked up from school immediately.

Baringa Wellbeing

"On behalf of the Wellbeing Team we would like to welcome all students back to school in Term2.

We will continue to have great systems in place on the buses to support and recognise students who demonstrate our school values and expected behaviour whilst they are travelling on our buses.

Each week one student from each bus is awarded a free lunch order in recognition of excellent behaviour on the bus for that particular week.

At the end of the term all of these students' names go into a raffle for a Kmart voucher.

These students are further recognised by their names being published in the Newsletter.

Some behaviours that are expected whilst travelling are:

- 1. Quiet voice
- 2. Wearing your seat belt
- 3. Hands and feet kept to yourself
- 4. Following bus supervisor's instructions.

Thanks again from the Baringa Wellbeing team."

PBIS AT BARINGA

An important part of our Positive Behaviour Intervention and Support (PBIS) program is to teach students the expected behaviours in different areas of the school and community.

Students across the school have lessons on what behaviours look like and how they can show them.

Here is some great work from our P building students about "Keep hands, feet and objects to myself"

And "Wear my uniform"

POLICY CORNER

Hello Baringa School community.

This week I would like to draw your attention to are our Child Safety Policy and our Child Safety Responding and Reporting Obligations Policy.

Both policies are very important and relate to one another. The Child Safety Policy outlines our commitment and approach as a school to creating and maintaining a child safe organisation where children and young people are safe and feel safe. It outlines the different roles and responsibilities people within our school

community have in keeping our students safe.

In addition to this the policies outline the processes we put in place to create a maintain a safe space for all students who attend Baringa Special School.

Both policies can be found on our website at <u>https://www.baringass.vic.edu.au/</u> policies. You are also able to ask for a hard copy from our administration office.

If you have any questions please feel free to contact Baringa School on 51271744.

Our commitment To Child Safety – Baringa Special School is committed to the safety and

wellbeing of all children and young people, This will be the primary focus of our care and decision making. Baringa School has zero tolerance for child abuse.

Baringa School is committed to providing a child safe environment where children and young people are safe and feel safe, and their voices are heard about decisions that affect their lives. Particular attention will be paid to the diversity of all children, including the needs of Aboriginal and Torres straight Islander children, children from culturally and /or linguistically diverse backgrounds, children with disabilities and vulnerable children. Baringa is a safe and inclusive school for all people

including LGBTI people.

Every person involved in Baringa has a responsibility to understand the important and specific role he/she plays individually and collectively to ensure that the wellbeing and safety of all children and young people is at the forefront of all they do and every decision they make.

Congratulations to the Winners of the Mothers Day Raffle
