Inclusion and diversity

Baringa School provides special education to students aged 5-18 diagnosed with a mild intellectual disability. The student population draws from a wide geographical area predominantly within the Latrobe Valley, including Moe, Morwell, Traralgon and Churchill. We also have students from Rawson, Trafalgar and Willow Grove in the Baw Baw Shire. The large majority of our student cohort are transported to school by bus.

Baringa School is committed to creating a school community where all members of our school community are welcomed, accepted and treated equitably and with respect regardless of their backgrounds or personal attributes such as race, language, religious beliefs, gender identity, disability or sexual orientation so that they can participate, achieve and thrive at school.

Baringa School acknowledges and celebrates the diversity of backgrounds and experiences in our school community and we will not tolerate behaviours, language or practices that label, stereotype or demean others. At Baringa School we value the human rights of every student and we take our obligations under anti-discrimination laws and the Charter of Human Rights and Responsibilities seriously.

Baringa School will:

- Actively nurture and promote a culture where everyone is treated with respect and dignity
- ensure that students are not discriminated against (directly or indirectly) and where necessary, are reasonably accommodated to participate in their education and school activities (eg schools sports, concerts, and camps and excursion) on the same basis as their peers
- acknowledge and respond to the diverse needs, identities and strengths of all students
- encourage empathy and fairness towards others
- challenge stereotypes that promote prejudicial and biased behaviours and practices
- contribute to positive learning, engagement and wellbeing outcomes for students
- respond to complaints and allegations appropriately and ensure that students are not victimised.

As a school community we are committed to diversity and providing students opportunities to thrive regardless of their backgrounds or personal attributes. Baringa School provide a number of specific programs aimed to promote inclusion and diversity including:

- Implementing the Respectful Relationships curriculum
- Organising the annual Friendships Games soccer tournament for special schools
- Organising the All Abilities Baringa Bike Ride
- Celebrating NAIDOC week
- Educate students and promote the National Day of Action Against Bullying and Violence

Bullying, unlawful discrimination, harassment, vilification and other forms of inappropriate behaviour targeting individuals or groups because of their personal attributes will not be tolerated at Baringa School. We will take appropriate measures, consistent with our *Student Wellbeing and Engagement* and *Bullying* policies to respond to students who demonstrate these behaviours at our school.

Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.

Students that are involved in bullying or harassing others on the basis of their personal attributes will be supported by our Student Wellbeing team to understand the impact of their behaviour on others.

Reasonable adjustments for students with disabilities

Baringa Special School also understands that it has a legal obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken to assist students with disabilities to participate in their education on the same basis as their peers. Reasonable adjustments will be made for students with disabilities in consultation with the student, their parents or carers, their teachers and if appropriate, their treating practitioners.
