**IT'S NOT OK
TO BE AWAY**

This year we updated our school website, baringass.vic.edu.au we encourage you to check it out. It has many beautiful photos of our students, school and a lot of helpful information including a link to the school newsletter.

It also has access to all of our schools current policies. It is important for our families to have access to these and we encourage you to read them. This week if you have a spare few minutes we would suggest reading our **Student Wellbeing and Engagement Policy** and our **Duty of Care Policy**. We aim to encourage a safe supported environment here at Baringa and this is reflected in the policies.

Terri—Assistant Principal

If your child is absent from school please remember to let us know why. Please call the office or send an SMS (0407 880 630) explaining why your child will be absent and how long you expect them to be away. Thank you!

Class of 2021 Graduation Lunch and Ceremony

For this year's SLC graduation, we will be having a catered luncheon at school and students will be presented with their certificate once we have finished eating. Unfortunately this year it will only be for the students rather than both students and parents. The details of the day are as followed:

- Students to arrive by 12:15 pm. Parents to drop students at school and then pick them up again at 2:30pm. If transport is a problem, students can come to school on the normal bus and get changed here before the dinner.
- Dress code is to be neat casual. For example – nice pants / jeans and shirt for the boys and a dress or pants and shirt for the girls. We would like the students to make the effort to look fancy for the photos we will take.
- Lunch will be served around 12:45 so we need students to be on time.
- We will have a Baringa photo booth available for fun photos.
- Certificate presentation will be made after lunch and photos will be taken.
- We will also film the presentation and both the photos and video will be uploaded to the Baringa Facebook page using a Clickview link.

Students in S14 have spent the second half of term focusing on financial math's. This has involved learning about and practicing skills such as rounding to the nearest 5c or 10c, adding coins and notes, finding change, and solving real-world problems involving money. Well done on working so hard, everyone!

We have enjoyed speech with Maddy and loved listening to a story about 'The Drooping Flower'. Then we planted our own flower and enjoyed using the spray bottle to water the plants. Thanks speech Maddy for such a fun session!

S 11

The students in S11 have been using their artistic and creative minds to create awesome looking T-shirts with tie dye. They were really excited to complete this activity during their Wednesday program and did a great job completing the task!

P 4

"P4 explored social skills like taking turns, listening to your friends and being a good sport. They practiced this through structured games like Jenga, Snakes & Ladders and Connect 4. They learned how to initiate play by asking, 'excuse me, can you play with me?' and how to be a good sport by saying 'good job!' Great work, P4"

M4

The students in Room M4 learnt about the meaning behind 'Remembrance Day' and the importance of the one minute silence at 11.00am. They learnt about the musical piece called 'The Last Post' played on a bugle which signaled the end of the day when the soldiers could rest. In the morning the bugle would play a tune called 'Reveille' which signaled the beginning of the day. The student made a wall display showing a field of poppies; poppies were one of the flowers that grew in the battlefields of France and Belgium. The students in M4 showed thanks to all fallen soldiers by participating in one minute silence in the classroom. Lest We Forget!

REMEMBRANCE DAY

Lest We Forget

S13

This term, students in S13 have enjoyed learning all about Remembrance Day. They have researched why we celebrate as well as about those who served in the war. Students also designed their own war medals and created some wonderful artwork of a field of poppies! It was great to see everyone so engaged and excited to share their learning!

M7

Students in M7 have been busy consolidating their numeracy skills using hands on learning. They have been completing number games and learning about money, practicing counting money and making change. It has been great to see the progress students have made while having fun in math. Well done Kayla, Jemma and Zoe for receiving PBIS awards for being a learner.

M6

We have settled back into learning at school really well. The students have enjoyed being able to spend time with each other and work together again. We have been working hard on maths and are working on new things, such as subtraction.

Congratulations!!
