Baringa acknowledges the traditional custodians of country throughout Australia and their connections to sky, land, sea and community. We pay our respects to their elders past and present and extend that respect to all Aboriginal and Torres Strait Islander peoples today.

Our school is located on Gunaikurnai land.

Book week is one of my favourite events in the school calendar, and this year did not disappoint! Our students and staff embraced the Reading is Magic theme and dressed up as their favourite book characters. Once again our parade was a big highlight, and students had a great time dancing and showing off their costumes. Students also participated in a range of book week activities and enjoyed a magic show as well. Well done to all students and staff who dressed up and celebrated book week, you all looked amazing!

Attendance

A reminder that students are expected to attend school every day, unless they are unwell. Attendance is pivotal for student progress and engagement, and we encourage parents to reach out to the school if they are having issues getting students to attend every day. Our school has an attendance officer who works with families to implement strategies to increase attendance.

As students get older, they may show an interest in work experience or alternate education, and it is important that we formalise these plans to ensure these days are accounted for. Please reach out to the school if you would like further information on this.

Every School Day counts

If your child is absent from school please remember to let us know why. Please call the Baringa office on 51271744 or send an SMS to 0407880630 explaining why your child will be absent and how long you expect them to be away.

Our Commitment to child safety

Baringa school is committed to providing an environment where our students are safe and participation is valued, their views respected, and their voices are heard about decisions that affect their lives.

We promote positive relationships between students and adults and between students and their peers. These relationships are based on trust and respect.

Particular attention is given to the Child Safety needs of aboriginal students. Those from culturally and linguistically diverse backgrounds, international students, students with disabilities, those unable to live at home, children and young people who identify as LGBTIQ+ Child Safety is a shared responsibility.

Every person involved in our school has an important role in promoting child safety and welling being and reporting any issue or concerns about a child's safety.

We are committed to making decisions that support our young people.

Needing help with your NDIS plan? Local Area Coordinators from Latrobe Community Health Service will be coming to the school, regularly, to meet with families and answer your NDIS questions. To book a time please contact Tania via the office on 51271744.

SAFE BUS TRAVEL

For bus travel to be as safe and pleasant as possible for all students we ask parents/carers to take note of the following:

- Where possible we ask that parents/carers park on the same side of the road as the bus stop. This is to avoid students having to cross the road.
- At all times students are to be out of their cars and standing waiting for the bus when it pulls up. This will ensure that the school bus can keep to the time schedule for all students.
